## Intro

Welcome to AIE Melbourne's first email newsletter. Newsletters will be sent on a monthly basis so you can keep up to date with what's going on at the AIE. Please feel free to contact me if there are specific topics you'd like included in the next issue.

## Mid-year Intake - Apply before June 2nd to go into the draw to win a Nintendo DS\*

Fast track your career into the Games and 3D Animation Industries by enrolling in an accelerated course. Applications are now open for:

- [Certificate IV in Screen](#)
- [Certificate IV in Information Technology \(Programming\)](#)

Course dates: 16th July 2008 - 5th December 2008.

By completing an accelerated Certificate IV, students can advance into second year of the Advanced Diploma of Professional Game Development or the Advanced Diploma of Screen in February 2009. This means you'll be graduating with an Advanced Diploma in December 2009.

To help you with your studies, all enrolled mid year students will receive:

- a FREE copy of *Autodesk Maya* (art students)
- a FREE copy of *C++ Primer 4th Ed* (programming students)

Interviews will be conducted mid June. There are no costs involved with your application, so apply now and get on the road to your new career in Games Art, Games programming or 3D animation for film and television.

\*Applicants must enrol in the course and commence studies to be eligible to win.

## Certificate III in Screen - Evening Course Starting Soon

Not able to study full time at the moment? The [Certificate III in Screen](#) is due to start on 31st March. Classes will run on Monday and Tuesday evenings (6-9pm) over 20 weeks.

This course is ideal for people who:

- want to learn the basics of 3D art
- are currently working in industries that require 3D art skills
- are interested in 3D art as a hobby
